## HOOVER CITES CRIME CAUSES

The President Delivers Great Address in New York  
Pungent Epigrams Cited For The Busy Reader

In his first address since his inauguration, Monday at a press luncheon in New York, President Hoover delivered a carefully studied and prepared address on the most vital subject uppermost in the minds of those who are thinking of the present and that of the future of our country, that of law enforcement. In the opening of his address he sent echoing around the world this apparent pertinent fact, "that life and property in the United States are relatively more unsafe than in any other civilized country in the world."

Other expressions bristling with truth were:  
If a law is wrong, its rigid enforcement is the surest guarantee of its repeal. If a law is right, its enforcement is the quickest method for compelling respect for it.

No individual has the right to determine what law shall be obeyed and what law shall be enforced.

Respect for law and obedience to law does not distinguish between Federal and State laws—it is a common conscience.

In our desire to be merciful the pendulum has swung in favor of the prisoner and far away from the protection of society.

The sympathetic mind of the American people in its overconcern about those who are in difficulties has swung too far from the family of the murderer to the family of the murderer.

If, instead of the glamor of romance and heroism, which our American imaginative minds too frequently throw around those who break the law, we would invest with a little romance and heroism these thousands of officers who are endeavoring to enforce the law it would itself decrease crime.

If law can be upheld only by enforcement officers, then our scheme of government is at an end.

I am wondering whether the time has not come to realize that we are not suffering from an ephemeral crime wave, but from a subsidence of our foundations.

A surprising number of our people, otherwise of responsibility in the community, have drifted into the extraordinary notion that laws are made for those who choose to obey them.

Our law enforcement machinery is suffering from many infirmities arising out of its technicalities, its circumlocutions, its involved procedures, and, too often, I regret from inefficient and delinquent officials.

Twenty times as many people in proportion to population are lawlessly killed in the United States as in Great Britain.

In many of our great cities murder can apparently be committed with impunity.

After all, the process of criminal enforcement are simply methods of instilling respect and fear into the minds of those who have not the intelligence and moral instinct to obey the law as a matter of conscience.

The real problem is to awaken this consciousness, this moral sense, and if necessary to segregate such degenerate minds where they can do no future harm.

Such a commission (on law enforcement) can perform the greatest service to our generation.

Along toward the close of the President's address he said, "I ask that you weigh well that I have said to you and if my position is right then you support it—not to support me, but to support something infinitely more precious—the one force that holds our civilization together—law."

Mr. Hoover is not visionary. He is cool, quiet, far-seeing, red blooded American, a man who has traveled much and knows the pulse-beats of most of the

good people of the nation. Now, appeals go very considerably with the thoughtful, but there is just one way to enforce laws and that is in the way an Andrew Jackson, a General Grant, a Grover Cleveland, a Theodore Roosevelt and a Woodrow Wilson would do it—take the bull by the horns and lead him to the stall. President Harding (reverence is due his memory) timidly tried and Mr. Coolidge did a good deal of "preachifying" but the American people, the red-blooded and the true are looking to Mr. Hoover to enforce or do it.

The jury list for the May term of court, as published in the Eagle this week, shows a number of married ladies of the town and county who will be summoned by Sheriff Reynolds for jury service. Some years ago it was common for ladies to be summoned for jury service but the practice of doing so for the last few years has been quite limited. We hope the ladies will all be willing to take upon themselves this heavy and important responsibility and if possible, render a service equal to if not better than men.

### Gets Manager's Place

Wm. C. Brown, son of Dock Brown of the Dryfork section and for years connected with the business interests of the lower Kentucky river sections, has secured the management of the Noble Store here. He will locate with his family in our city.

### BREAKS OUR "LOOKING GLASS"

We'd expected it, but hardly so soon. Yes, J. Harlan Cornett, regular candidate for Tax Commissioner, publishes a statement this week in which he withdraws from the contest, thus making the first break in our looking glass. This leaves only three announced candidates for this nomination. These are Henry R. Yents, Geo. M. Adams and Dr. John M. Bentley, mentioning them in the order in which they announced. There may be other candidates besides these as time moves along.

### DENTIST HURT

Dr. Sanders, popular Fleming dentist, leaving Whitesburg Saturday night, wrecked his car on his way home and was rather seriously, but not necessarily, fatally injured.

### LETTER TO THE EDITOR

Sergeant, Ky.  
April 23, 1929  
Editor Mountain Eagle,  
Whitesburg, Ky.

Dear Editor:  
Let me congratulate you for your editorial in the Eagle the past week entitled, "Mother, It's up to You." I must say when the name "Mother" is mentioned it gets next to my heart. I agree with you in all you say in your editorial. Our country needs thousands of such mothers as you mention in same. A real true, noble and God fearing mother is to be classed higher than anything else in this world. Due to the death of my mother when I was a very young chap, I have been very unfortunate in not having a mother's tender and compassionate touch, but I am mighty grateful to know she died with faith in her God, she lived a true and noble life, and her prayers and influence have ever ushered me thru life. And by the grace of God I mean to meet her in the Glory-land some sweet day.

Yours sincerely,  
ARTHUR DAY.

Mrs. Oma Combs is quite ill at the home of her daughter, Mrs. L. H. Kemp, in our city. Mrs. Combs is the widow of the late Edward Combs, formerly residing below the mouth of Crafts Colly.

## Officers Arrest Man Charged With Murder

Officers Steve Cornett and Oscar Marcum went to Cumberland Monday night and arrested Mitch Combs, a Perry county young man, charged with wilful murder committed in Lee county about two years ago. At the same time they arrested George, a brother of Combs, charging him with possessing an automobile with a mutilated Ohio license supposed to be a stolen car. They were brought to jail here, from which place they will be taken to Lee county. The boys had arrived at the highway construction camp, where they were arrested, only a day or so before. They were heavily armed.

### Line Fork News

Mr. and Mrs. Chester Cornett have just returned home from a visit to Cumberland. John Schoonover, from Cumberland, is visiting Mr. Jonah Cornett.

Mrs. Peggy Polley, aged 96 years, is very ill at the present time.

Chester Cornett had lots of visitors Sunday. Miss Cora Polley and Tilford Crace visited the home of Wesley Cornett Sunday.

Elder Tip Cornett and Elder Church are expected to preach at Sugar Grove school house next Saturday and Sunday.

Misses Gladys Cornett and Hettie Cornett are planning their vacation for the last of April to visit their brother.

Miss Gladys Cornett has been under a physician for some time with a joint felon.

Mrs. Lydia Ann Ingram is expecting to visit her father's home soon. He resides in Ohio.

## Two Children Poisoned—One Dead

Last Sunday on Millstone creek, Mr. and Mrs. Ben Franklin and other folks left several small children at their home while they attended church. In the absence of the grown folks the children came across some tablets which had been used for a treatment of high blood pressure, it is said, and believing them to be candy, ate them. Late in the evening one of the children, a little girl three years old, died from the effects of the poison and another little girl, some years older than her sister, is so low from the poison that she is not expected to live. Mrs. Franklin is a daughter of Mr. and Mrs. Chumk Craft and with her husband and children made their home with her parents.

The above is another instance of the carelessness of grown persons allowing drugs and other poisons to lie around where innocent children or others may come across them. Often such drugs are worthless as well as dangerous.

### MRS. MINNIE FIELDS ENTERTAINS

Last Saturday Mrs. Minnie Fields entertained at her home here. The guests who were present and enjoyed the hospitality of Mrs. Fields were, Misses Hazel Fields, Margaret Collins, Mrs. Jno. D. W. Collins, Nick Harris, Jack Glenn and Billie Collins.

### Light Is Breaking

Rosette hopes are prevailing in Boone and Elkhorn sections of the coalfields in our county. The mines all started running every day more than a week ago, and the promise is out for a whole year's run. We understand the miner's wages are not large but the every day earnings will come in good anyway. Already long strings of loaded coal cars have been running daily down the Northfork.

Mrs. Crissie Colisanti, of New York City, is visiting her father, Uncle Elisha Collins, and her sisters, Mrs. Patsy Bentley here, and Mrs. Sallie Jenkins at Neon, and Mrs. John S. Webb and Mrs. Lee Hall at Thornton, for a few weeks.

## Just News

So far as heard, the stiff, cold winds which were common and the heavy frosts which fell did but little, if any, damage to growing vegetation and the fruit prospects.

The Eagle is full again this week with "Good News" advertising. Look thru and see what the Yellow Front Stores, A.P., Jimmy Kassem and the Noble store has to say.

M. C. Amburgey, manager of the Neon Wholesale and Retail Grocery store, was in to see us with an order for a good lot of advertising printing.

The Boston Bargain Store Neon, is inviting the trading public to another of its big sensational sales, which begins next Saturday. The Curry Bros. demonstrate that they know that advertising pays.

The Methodist revival began at the M. E. church last Sunday and each service is fairly well attended. Rev. Sweazy is an interesting speaker. The services are due to last till May 5th. There are hopes that great good may result.

People who drive cars over the state highway from Whitesburg to the mouth of Garner say it is a down-right shame how the highway department is neglecting that part of the road.

Saturday night at the big hop at the Daniel Boone Hazard furnished a big proportion of those who tripped so gaily on the floor. Since it is only a step now over the highway from our city to Perry's capitol, it is now usual to see dozens of Perry county cars parked on our streets.

It is now Daddy Elmer and Mamma Ruth as well as Grandpa John and Grannie Sally, besides Granddad Jim and Grandmama Susan. The bright little boy arrived Saturday and he answers readily to the name of John Arnold.

The wife of Jim Ventura well known citizen in that section, died at her home at Fleming yesterday morning. She had only been sick a few hours. She leaves a husband and ten children.

James Stamper, for a long time the ever handy deputy jailer, has moved with his family to the city and now resides on Eagle street.

## Great Wind And Hail Storm

Tornadoes and hail storms swept over many sections of the middle and southwest sections of the country, including Kentucky, last Sunday, taking in toll over thirty lives and huge masses of property. Along a stretch through central Kentucky and up the Northfork for a considerable distance the largest hail-stones ever known in great quantities, were precipitated. News-reports say that hail-stones as large as nine inches in circumference were observed. The hail storm failed to reach Whitesburg and there was very little rain.

### ERMINE NEWS

Whip-poor-wills are calling. This is an old timer's sign for corn planting time.

Miss Lina Combs is on the sick list this week.

Mrs. J. A. Hall has a very bad cold.

Mrs. S. N. Bentley, of Pine Top, Knott county, was here visiting her brother, J. A. Hall.

The stork flew over this community and left a girl at the home of Mr. and Mrs. Bob Owens during the past week.

Miss Mattie Adams and others motored to Jenkins Sunday.

Miss Lavanna Adams spent Saturday and Sunday on Colley. Mr. and Mrs. Monroe Craft were dinner guests of Mrs. Sam Hall Sunday.

Mrs. Polly A. Brumett is visiting her daughter, Mrs. Geo. W. Hall.

Mrs. Dodge Banks, of Neon, was a visitor at the home of Mrs. W. L. Stallard Monday.

Mrs. W. L. Stallard and sons, Herbert and Paul, spent Monday night in Neon.

Mrs. W. H. Potter, of Kona, attended church at Mayking Sunday.

### Returns To Post

Supt. Arlie Boggs returned from a few days business trip up the state. While away he was in conference with a number of state school officers at Frankfort pertaining to the interests of education and the welfare of the schools of the state. Mr. Boggs says that he will soon be able to publish a number of things of interest to the teachers, schools and students of the county. Many of the things he wishes to say are not yet definite enough to mention.

Blackey people have gone to a heavy expense in getting out-lets over the county highway to the mouth of Garner. They say now that on reaching that point they cannot drive over the road from Garner to the county seat. It would require only a few days work to make this road safer to get over and the authorities are urged to do it.

Last week the written copy of a nice little party given at the home of one of our good friends at Mayking blew off our copy hook and was lost. Therefore, to our deep regret, it failed to get into the Eagle.

Floyd Adams, of the "Stumble Inn," was in Monday to get his usual quota of advertising. He's one of our best customers.

### RESIDENCE BURNED

The nice home of Mr. and Mrs. John Venters on the State Highway just out and above Seco, caught fire, it is said from the kitchen, and was entirely destroyed yesterday evening. Only a small proportion of the household effects were saved. The loss is around \$3,000. No insurance, so far as could be learned, was carried.

The Norman Realty Auction company's big sale at Tazewell, Tenn., held last Saturday, is to be added to the big lists of successful sales. These boys, just somehow, always bring "home the bacon" when it comes to conducting a sale.

## HAYMOND SCHOOL CLOSING EXERCISE

Prof. Harris made a short speech, touching upon the work of the session. He regretted that he had not had the pleasure of getting acquainted with all the people of the district, that he knew them from their children, who always came to school Monday morning in nice, clean clothes, reflecting the love and care of good mothers. He said cleanliness had been one of the outstanding features of Haymond, that no waste papers or tin cans were to be seen around the homes or on the streets or in the gutters or around the school building; that a big wagon goes the rounds early every day and hauls off the rubbish, keeping the camp sanitary and sightly.

At the school is a banner on which is inscribed the word "neatness," which is contested for by the rooms. The primary department won it oftentimes.

The children of the first, second, third and fourth grades gave their entertainment consisting of speeches, songs and plays, in appropriate costumes, on Wednesday afternoon. They were well prepared, knew their parts well, and reflected credit on their teachers.

Friday night the fifth, sixth and seventh grades presented their program.

The partition doors were folded back throwing the two large class rooms into an auditorium. A stage extending across the room, ten feet deep and two feet high had been built through the interest and courtesy of Mr. Dale and other friends of the school. The stage was decorated with wild flowers and blossoms, Easter lilies, Sweet Williams, wild hyacinths and dogwood blooms, white as the driven snow, all fresh from the hills, making the whole scene one of beauty and loveliness.

Twenty-two chairs were arranged in an arc around the stage.

A large assembly of patrons and friends had filled the auditorium by 7:45, when Mrs. Harris, who had been training the children for a few days, began to play a march, and the children filed out of their class room and marched to the stage and took position. The music changed and the girls in one group and the boys in another, sang a welcome song in a two-part chorus. Their voices were clear and sweet, as young voices usually are.

### The Contest for Gold

The following were the speakers and reciters, with their subjects.

B. J. Adams—"How to clothe and feed his family of six on a dollar a day."

Gladys Dale—"Charley McGee."

Roy Howard—"Star Spangled Banner."

Leatha Gilly—"Picking Up Chips."

May Vesta Austin—"What I Loved Best."

Rose Sullivan—"Little Girl."

Junior Jones—"A boy's reward to his stomach."

Monie Lee Bolling—"The Last Hymn."

Otto Horton—"The Pebble and the Acorn."

Minnie Lee Kizer—"My Mother."

Ora Polly—"Somebody's Mother."

Leona Howell—"Nothing to Say."

Cleo Parish—"The Seminole's Defense."

Henry Simmons—"The Twins."

Elmer Lemaster—"The Clock Did It."

Nannie Belle Webb—"In School Days."

Happy Nellie Adams—"Addition."

Pebble Taylor—"Entertaining Sister's Beau."

Bill Riggs—"The Village Smithy."

Reed Mullins—"Flurette."

Elizabeth Kincer—"The Spider and the Fly."

This program was unusually well prepared. All acquitted themselves with credit and reflected honor and distinction upon

on teachers and school.

The committee was composed of Misses Lorena Cook and Rose Hale and Beryle Boggs. While the committee was making its decision, Prof. Harris presented the class in one of his favorite drills—mental arithmetic. The rapidity with which the pupils could do these mental problems showed attention, concentration. The committee having agreed, Mr. Boggs, in a very happy and complimentary speech, delivered the medal to Elmer Lemaster. Then occurred immediately an unusual outburst of glad hands from all the other contestants, who disappointed themselves, they showed they were good sports.

At this time the piano struck up a lively tune and all fell in line, carrying each his chair to the class room in order to give space for the fancy march. They lined up and both girls and boys went through a pretty figure, keeping time to the music, when suddenly the music changed to a pretty spring two-part chorus.

The children were made happy up receiving their reports and promotion cards. The audience expressed appreciation by loud applause.

## WITHDRAWS FROM RACE

To all concerned or otherwise interested:

In my original announcement as a candidate for the office of Tax Commissioner of Letcher county, I stated, in effect, that I had not been solicited by anyone to make the race. That statement was true, nevertheless, some would have you believe the contrary.

I took the required examination and passed same to the satisfaction of the Kentucky State Tax Commission and now have its certificate showing my qualifications.

When I announced I knew full well that it would mean a sacrifice on my part, even tho I should be nominated and elected, but I had a desire to try my hand at the intricacies of the Tax Commissioner's office, with the thought in mind that I could be of valuable service to my county.

I did not, at that time, anticipate being opposed by as many incumbents for the office as since my announcement has proven to be the case. This, however, is a privilege any eligible elector is entitled to, and they have the same right to seek the honor at your hands, to which I aspired.

I do not desire to further participate, as a candidate, in the many ramifications into which this race has resolved itself, and after due consideration of the present, and impending, status of affairs connected primarily with this campaign as a whole, I reluctantly withdraw from the race; not believing, however, that I would be defeated should I stay in the fray, so to speak, but merely because I do not care to run the risk of acquiring the enmity of so many warm friends which would, in all probability, be the result of a strenuous campaign.

I trust the people may be able to intelligently weigh each candidate's fitness and moral integrity, and, like I intend to do, support the one that appears to be the most fitted for this important office, be that whomsoever it may.

Sincerely,  
J. H. CORNETT.

Though May has not ventured from out the East, as it will soon, the hills and mountains of our county are already clothed in beautiful green foliage. Not in years have the high hills took on their summer wear so early. Old citizens are shaking their heads and declaring that they are yet fearful of snow and frosts. It is needless to say that the "Sallet" season has arrived and from now on people out in the open spaces and even in town can almost live well on "greens."

Entered as second class matter August 28, 1907, at postoffice at Whitesburg  
Kentucky, under Act of Congress of August 9, 1873.

Very soon the people of the United States may hear the noise of a big "Crack" up at Washington when President Hoover takes the whip in his hands and demands support from the big West for his administration Farm Aid bill now lighting up the halls of the extra session of Congress. Senator Brookhart, who made two hundred thundering speeches for the President last fall in his campaign, has already stamped his big foot. There'll be a lot of other champing of the bits from other old western horses.

Attention is called this week to the new announcement of Robert Newsom, of Millstone, as a candidate for the Democratic nomination for Justice of the Peace in the Millstone district. We are not so well acquainted with Mr. Newsom but those who do know him have only the highest praise for him as a citizen. Reference is made to what he says in his announcement.

They say that the picture of Solomon P. Chase on the new \$10,000 bills is somewhat darker than those usually printed on bills. As these bills come in to the Eagle office we'll be watching to see whether this is true or not.

Attention is called to the big receiver's sale of the Consolidated Fuel Company and a number of town ordinances now running in your Eagle.

Miss Lovette Fields, daughter of Mr. and Mrs. L. W. Fields, of Lexington, is visiting at the home of her uncle, B. F. Salyer, and other friends in the city.

The first free school in Kentucky was started 100 years

ago this year. 100 years from now they may be celebrating the advent of "free" school books in the state.

Well, it is certainly now a good time to plant corn, beans and almost every other thing raised on the farm. Surely old winter with its chilling blasts has passed to other climes and summer, the most glorious season of all the year in the mountains, stands tip-toe on the hill tops. The birds and bees are busy, the flowers are bursting from the buds, little children are jumping and hopping in exultant ecstasy and why should not all be willing to hustle? Heaven stands ready to smile on those who help themselves.

A big lot sale will be held on the Mayo Trail on Pine mountain a few miles from Whitesburg along about the tenth of May. The Norman Realty Company will have charge of this sale and they'll sell it too. Watch for announcements in the Eagle.

Milton Whitaker, employed at Elsiecoal, while working accidentally broke his leg and was taken to Hazard hospital for treatment.

It is everybody's business to build business not to kick it. Competition is the blazing fuel in the fire-box and boiling water in the engine. This is a competitive age and whoever cannot stand competition had better get out of the running. Cowards only submit to monopoly.

The Mountain Eagle this week contains 42 columns of space. Readers will note that outside of a good volume of interesting display advertising there are not less than 28 columns of type set for reading

purposes. Readers can probably recognize what an awful task it is for our linotype operator to go through in only about three days of work. No other local newspaper in so short a time would undertake such a task.

Mr. and Mrs. Tandy Combs, temporarily residing at Allen, were visiting their parents here the first of the week.

Mr. and Mrs. Henry Blair, of Hazard, were here visiting the homes of their parents. Mr. Blair is prominently connected in railroad circles.

Go, enjoy the music, help eat the cats and milk the cow at the big Norman lot sale on Potter's Fork Saturday. A thousand people will be there.

Miss Lucretia Cassidy was spreading sunshine and comfort with friends in Pikeville first of the week, in the meantime encouraging sales of Frigidaires.

Expected action on the adoption of free school books for Kentucky students has been momentarily looked forward to all this week, but up to going to press apparently no adoption has been made. It is likely that a break has occurred between the Commission in session to make the adoption.

Mr. and Mrs. S. E. Adams and little daughter, Ruby Lee, of Fleming, and Mr. and Mrs. C. B. Adams, and baby of Jenkins, were pleasant visitors with friends in Whitesburg last Sunday.

Wesley and W. M. Breeding, Dr. Amburgey and George Gibson of Knott county were Monday visitors in the city.

## NEW VOTING PRECINCT

The County Court has lately created a number of new voting precincts in the county for the purpose of making it more convenient for our citizens to vote. These are No. 47 in East ward Blackey to be held at Dr. Whitaker's theatre building, No. 46 at Jno. D. Dixon's store near the mouth of Doty Creek. No. 48 is to be held at Carbon Glow, at the company commissary. No. 18 East Ward, Blackey, is to remain to be held somewhere in that section of the town.

Got Up In The  
Morning Feeling  
**DIZZY**

"I began to suffer with headache and biliousness," says Mr. John C. Malone, of Buena Vista, Ohio. "I had a hurting through the middle part of my body which seemed to come from indigestion. I would get constipated, and then feel all out of sorts. I would get up in the morning feeling dizzy, and everything I ate would disagree with me. Someone asked me why I did not try Black-Draught. I found it to be just the medicine I needed. When I feel a spell coming on, I begin by taking a dose of Black-Draught, dry, at night. I continue to take it for several days, and in a short while I am feeling fine. It is all the medicine I need."

Costs only 1 cent a dose.

Said lands and said leased lands will be sold together with the sole and exclusive right of said defendant to mine and remove all mineable and merchantable coal in, upon and underlying said lands, upon and subject to the terms, conditions and reservations in favor of lessor contained in each of said respective leases above set out; and also together with all the rights, privileges and powers granted to each lessee in each of the said respective leases for such purpose by the Kentucky River Coal Corporation to the said The Consolidated Fuel Company, its successors and assigns, as fully set out and provided for in each of said respective leases; and to each of which said leases, reference is hereby made not only for a more particular description of said lands and the locations and boundaries thereof, but also to all the rights, privileges and power therein granted to said respective lessees therein named and their respective successors and assigns, and to all the reservations contained in each of said leases in favor of lessor therein named, and to all of the terms and conditions of said respective leases and the rents and royalties therein stipulated to be paid by said respective lessees; all of which, as provided for and set out in said respective leases are hereby referred to and made a part hereof as fully as if copied herein.

All of said leases and the leasehold estate of The Consolidated Fuel Company therein will also be sold together as an entirety, subject to the terms and conditions thereof, together with all of the machinery, equipment, tools, appliances, tipples, hoists, tracks, mines, cars, railroad tracks, sidings, car elevators, structures, plants, buildings, tenements, miners' houses, and

all other improvements, equipment, machinery, appliances and supplies of every kind, located in, upon and on said leased tracts or parcels of land, and also with all of the estate, right, title interest, property, claims, and demands of every kind and nature whatsoever, of The Consolidated Fuel Company, in and to said lands and said mining machinery, equipment, tools, and improvements, and all other equipment above described, located thereon, and used by said defendant The Consolidated Fuel Company, in carrying on and conducting its coal mining operations and developments on said leased lands.

All of the above described properties and assets described in sub-sections A, B, C & D of clause 1, will also be sold subject to the terms and conditions of those Two (2) certain written agreements entered into between the Kentucky River Coal Corporation and The Consolidated Fuel Company, bearing date respectively January 25, 1924 and June 23, 1927 (which are hereby referred to and made a part hereof as fully as if copied herein), under the terms and conditions of which said instruments of said respective dates, it was provided as follows:

"The minimum royalties under said above mentioned lease of April 1, 1920, between said parties for the year 1924, and each subsequent year, was fixed at \$15,000.00; and the minimum royalty under said lease between said parties of date April 12, 1920, above referred to, was fixed at \$15,000.00; and the minimum royalty under said lease of April 26, 1920, between said parties, was fixed at \$5,000.00; and under said lease of July 2, 1918, between the Kentucky River Coal Corporation and the Woodburn Coal Company was fixed at \$6,000.00; and it was further provided in said instrument of writing, that the total minimum royalty of \$41,000.00, should apply to all four of the said leases collectively, and that the tonnage produced by or on all four of said leases should apply to and be credited on the total minimum royalty of \$41,000.00, instead of looking to each of the four leases separately for its minimum royalties therein provided for; and it was further provided in said writing, that said four leases should be considered and treated as one lease made by the Kentucky River Coal Corporation and The Consolidated Fuel Company, so far as concerns said minimum royalty for the year 1924 and each subsequent year, but not to effect or change said lease or any one of them in any other respect whatsoever."

And under the terms of the said instrument of date June 23, 1927, it was further provided that:

"The minimum rents and royalties provided for in said four leases consolidated and treated as one, were further reduced from \$41,000.00 per annum to \$20,000.00 per annum; and it was further provided that the deficits in said minimum rents and royalties for the calendar years 1925 and 1926 should be and were thereby cancelled and satisfied in full, and The Consolidated Fuel Company released from the payment of said deficits in said minimum rents and royalties for said years 1925 and 1926; it was further provided in said writing that the deficit in the minimum rents and royalties for the calendar year 1924, amounting to 15,015.27, should remain due and owing by the Consolidated Fuel Company to the Kentucky River Coal Corporation, but that the former should not be required to actually pay any of said amount except as when it actually mined and removed from said leased premises more coal than amounts to said annual minimum rents and royalties of \$30,000.00, when, in such event, it should pay for all coal so actually mined and removed, and that all amounts paid in excess of \$30,000.00 per annum should be credited against the amount of said deficit for the calendar year 1924, until the amount was paid. That said deficit for said minimum rents and royalties for the year 1924, . . ."

And in which said instrument it was further provided:

"That it was further provided that The Consolidated Fuel Company should not be permitted to take credit for any of said sum of \$28,705.19, paid by it to and including December 31, 1923, for coal actually mined and removed from all of said leased properties until such time and the deficit for the calendar year 1924 shall have been fully paid; but that after such deficit for the years 1924 shall have been paid, it should be entitled to and take credit for the full amount of said \$28,705.19, when it mines and removes from all of said leased premises coal amounting to more than said minimum of \$30,000.00 per annum; it was further agreed between the parties to said writing, that the said The Consolidated Fuel Company, should and did thereby surrender quitclaim and convey to the Kentucky River Coal Corporation, all of its right, title and interest in and to the following described property, constituting a part of the properties covered by the lease hereinbefore mentioned, to-wit:

"Lying and being in Letcher County Ky., on the North Fork River and Dry Fork of same, and Smoot Creek and Rockhouse Creek, and bounded as follows:

Begin on the north bank of the said North Fork River at the upper or Southeast corner of Amburgey Coal Co. (now Day Coal Mining Co.) lease, thence with same northward passing through the road gap (Dickey Frazier

check or checks — will be forfeited Gap) to Smoot Creek, thence up Smoot Creek as it meanders to the mouth of Bee Tree Fork, thence with the meanders of said Bee Tree Fork and the Right Fork thereof to where a straight line through the gap in the top of ridge at the county road will when extended reach the No. 4 coal outcrop in head of and in said Blair Branch of Rockhouse, and including all of the area east of the above described line for which the said The Consolidated Fuel Company now holds a lease, aggregating 1908.05 acres, known as No. 2 lease."

Copies of the said two (2) agreements are in the possession of Allen, Botts & Duncan, Attorneys for the Receiver, subject to examination by any interested party at any time; and same will be produced by the Receiver at said sale for such examination.

2. All of the above described properties and assets will be sold by the Receiver for one-third (1-3) of the purchase price in cash, and the balance of such purchase price on credits of 6, 12, and 18 months for equal installments of such purchase price, with interest thereon at the rate of six percent (6%) per annum, payable semi-annually from date of sale until paid; but with the privilege to the purchaser of said properties of paying all such balance of purchase price or as much more than one-third (1-3) thereof, in cash as such purchaser may elect; and in the event such purchaser does not elect to pay the entire purchase price in cash, but to pay only one-third (1-3) or more thereof in cash, then the Receiver is directed to take from such purchaser, and he will be required to execute to said Receiver, bonds with good and sufficient surety thereon, to be approved by said Court, not only for said equal installments of such sale price not paid in cash, payable to said Receiver in 6, 12 and 18 months respectively from date of sale, and bearing interest at the rate of six percent (6%) per annum, payable semi-annually from date of sale until paid; but also for the faithful compliance with and performance by such purchaser of all the terms and conditions of said sale and of all the covenants, agreements and conditions of each of said leases hereinabove mentioned, to be performed and complied with by the lessee therein, and its successors and assigns as therein provided for, while any part of said purchase money and interest remains unpaid, and the said bonds are to have the force and effect of a judgment and are to remain and be a lien upon said properties, as additional security for the payment thereof; and further, that said properties will be sold by said Receiver with the obligation of the purchaser to assume and pay as a part of the consideration for the said property, and in addition to the sum or sums bid by the purchaser, therefor, all Taxes to become due and payable to the State of Kentucky and the County of Letcher of said State in the year 1929, under and by virtue of an assessment made of same as of date July 1, 1928, including any and all Taxes which, by the terms and provisions of the leases hereinabove set out, the respective lessees therein named have obligated themselves to assume and pay, as therein stipulated and provided for in each such lease; and further, that said properties will be sold with the further obligation of the purchaser that he shall take such properties subject to all such Taxes and assessments and liens thereon to secure the payment thereof; and that said properties will be sold with the further obligation on the part of purchaser to keep the buildings and improvements, machinery and equipment, upon said lease property continually insured against loss by fire, in some good and solvent fire insurance company or companies acceptable to said receiver, in such an amount or amounts on each kind of building, and on each kind of property as said Receiver may direct, aggregating in total amount not less than \$50,000.00, while any part of such purchase price and interest for said property remains unpaid, for the benefit and protection of the Receiver and of the creditors and stockholders of the Consolidated Fuel Company, as their respective interests may appear; said property will be sold upon the further terms and conditions, that in event such purchases of said properties fails, refuses or neglects to pay any one or more of said bonds at maturity or to pay all or part of said Taxes when due, or to keep said property so insured, or to comply with and perform any of the terms and conditions of each of said leases to be performed by the lessee herein named, or to comply with and perform any of the terms and conditions of said sale, then in any such event or events, each of said bonds shall become immediately due, payable and collectible, as if each bond had matured according to its terms; and said lien retained on the properties sold to secure the payment thereof may be foreclosed and said properties sold to satisfy said bonds by said Receiver or by any interested party, for the benefit of the estate of the defendant and its creditors, upon application to the Court.

Said property will be sold by the said Receiver with the further obligation on the part of the purchaser to assume and perform all of the contracts for the sale of coal mined by him from said leased premises which he has made with any person, firm or corporation prior to date of sale, and which on said date remains

unperformed in whole or in part, as a part of the purchase price thereof, and in addition to the sum or sums bid by such purchaser therefor; and which contract (if any) and the terms thereof, shall be announced by the Receiver at said sale.

3. That said property will be sold by said Receiver not only subject to the terms and conditions of each of said leases and contracts hereinabove set out, but also with the further obligation on the part of the purchaser to assume and pay from and after date of sale, when and as the same become due and payable, the rents and royalties, and Taxes, stipulated in each such lease contracts to be paid by the lessee therein named, its successors and assigns, to the lessor therein named, at the times and in the amounts provided for in each of such leases.

4. That all of said properties will be sold by the said Receiver free and clear of all rights, interests, liens and claims, and right of equity or right of redemption of the Consolidated Fuel Company and its stockholders and creditors, and of any and all parties to said action, and of each and all such persons, firms and corporations as may become or be made parties to said action, and of each and all persons firms or corporations claiming by, through or under any such parties creditors, stockholders, persons, firms and corporations, having, claiming or asserting any right, title, interest or lien in, to or on said properties or any part thereof; but that any and all such liens (if any) of any such parties or persons or corporations are to attach to and follow the proceeds of sale of said properties; but said respective properties will be sold by said Receiver together as an entirety, subject to all the rights, remedies and provisions contracted for and reserved to and for the benefit and protection of the lessor or lessors named in each of said respective leases, and its, his or their (as the case may be) successors heirs and assigns, to secure the payment of the rents and royalties to become due under such respective leases from and after date of sale, and there stipulated to be paid by the lessee therein named, to the lessee therein named, and to secure the faithful performance and compliance from and after the date of sale of said properties, all of the terms, conditions covenants and agreements therein contained, and to be kept, performed and observed by each of the respective lessees in each of the said leases, and its, his or their (as the case may be) successors and assigns.

5. That upon the acceptance by the said Receiver of any bid for such properties, the purchaser thereof will be required to immediately deposit with said Receiver the sum of \$2,500.00 in cash, or by certified check or checks upon any National or other Bank of the City of Whitesburg, or City of Lexington, of the State of Kentucky, payable to the order of said Receiver; and said purchaser will also be required at the same time to pay to said Receiver the further sum of one third (1-3) of the purchase price of said properties in cash or by certified check or checks upon any such Bank or Banks for the amount of one-third (1-3) of such purchase price; and that no acceptance of any such check or checks by said Receiver is to be or will operate as payment to said Receiver for any purpose whatever, unless and until same are paid, or to release or discharge such purchaser from the payment of the amount or amounts thereof for the purpose for which given or for his obligation to comply with all the terms and conditions of sale notwithstanding such check or checks are certified.

In case any bidder shall fail to make said deposit of the sum of \$2,500.00 with said Receiver upon the acceptance of his bid, and shall also fail at the same time to pay to the said Receiver, upon the acceptance of his bid one-third (1-3) of the purchase price of the said property in cash, or by certified check or checks as above required, said Receiver will forthwith then and there offer such properties purchased by any purchaser, again for sale without further notice or advertisement, and free from any claim, right and interest of any such purchaser or bidder.

6. That said deposit of said sum of \$2,500.00 so required under said order of sale to be deposited with said Receiver by any purchaser of said properties and paid by such purchaser to said Receiver will be held by him subject to the orders of above mentioned Court; and upon confirmation of such sale such deposit will be applied on account of the purchase price of said property as of such date as the Court may direct — provided such purchaser complies with all the terms and conditions of said sale and with any and all orders of said Court relating to the payment of the purchase price thereof or to the consummation of said sale.

7. In case any bidder, after the acceptance of his bid by said Receiver, fails to make good his bid, or after its acceptance by said Receiver, or to comply with any and all the orders of the said Court relating to payment of the purchase price of said properties, or to the consummation of said purchase, or fails to comply with any of the terms and conditions of said sale then said sum of \$2,500.00 deposited by such accepted bidder as above provided for whether in cash or by certified to said Receiver as a penalty for such failure or default and will be applied to the payment of the expenses of a

re-sale and towards making good any deficiency or loss, in case such property shall be sold at a less price at a re-sale, and for such other purposes as said Court may direct; if said Court does not confirm such sale of said properties, such deposit made by such accepted bidder, together with any part of said purchase price paid by him will be forthwith returned to such purchaser by the Receiver.

8. Said Court has reserved the right to re-sell said property sold under this notice of sale by the Receiver, upon such notice as the Court may direct, at the risk and cost of any such purchaser of same, in case such purchaser shall fail or refuse to make in accordance with the terms and conditions of this sale, any payment or interest on account of the purchase price thereof, or fails or refuses to comply with any of the terms and conditions of said sale, or with any and all orders of said Court relating to the payment of said purchase price or to the consummation of such sale, or compliance with any such terms and conditions or with any such order or orders, unless further time is given by said Court.

9. The purchaser of said properties sold will take the same subject to all the Taxes and assessments hereinbefore provided, that are liens upon said property, and which he is required under the decree of sale to assume and pay, and with all the obligations imposed upon him by said decree of sale as a part of the consideration for said property, and in addition to the sum or sums bid by him therefor.

10. That possession of said properties hereinabove described and directed to be sold, will be surrendered and delivered by said Receiver to the purchaser thereof upon compliance by such purchaser with the terms and conditions of said decree of sale.

11. For further particulars, reference is hereby made to said judgment and order of sale entered in the above styled cause on Dec. 8, 1928, and said order entered in said action on April 17, 1929, and now on file in the office of the Clerk of the District Court of the United States for the Eastern District of Kentucky, at Lexington, Kentucky, in said above styled action.

## LOCAL NEWS

Occasionally we hear people say that they are fearful that the fruit crop has been severely injured by the cold weather.

In the absence of very much local news of much consequence we will endeavor to give our readers other beneficial outside news as well as other reading matter that we think worthy.

A large number of Whitesburg citizens attended the Regular Baptist services at Mayking last Sunday, where hundreds of people gathered to hear the preaching. A number of well known ministers were present, including Eld. Ira Combs of Perry county.

Mr. W. L. Cooper was in Hazard April 16 and 17 attending the spring meeting of Guerrant Presbytery.

Mrs. H. L. Cockerham left Tuesday for a trip into Virginia

and West Virginia where she will speak in the interest of Home Missions. She expects to return about May 15.

Miss Bray, Miss Bird and Mr. W. L. Cooper were visitors in Whitesburg on Saturday. The members of Guerrant Literary Society, with Miss Patterson as their sponsor, and Misses Stacy, Rolston and Davis had an outing Friday afternoon in the form of a hike and picnic.

Last week in giving the program for commencement week, a mistake was made in giving the time of the May Day program. The time was given as 10 a. m., which was an error. The May Day program will be held on the campus at 2 p. m. on May 2, Thursday.

Final examinations are scheduled for April 30 and May 1 and 2. They will close at noon Thursday, May 2. High school classes are busy now reviewing for the examinations.

Mr. and Mrs. J. T. Wilson and children, of Jellico, Tenn., arrived Monday to visit their two daughters, Christine and Elizabeth, and also attend the commencement exercises. Mr. Wilson returned to Jellico on Tuesday, but Mrs. Wilson remained for a longer visit.

A splendid audience was present at the musical recital on Monday evening. In addition to the piano numbers the program included three numbers by the girls' glee club, negro spirituals by a male chorus, a reading by Miss Anna G. Foster, clarinet solo by Richard McKee, also numbers by a quartette and a trio. The stage was most attractively decorated, the color scheme of pink and white being carried out in the whole of the decorations. At the beginning of the year Miss Parsons offered a medal to the pupil making the most improvement in her work during the year. At the close of the program Miss Parsons made the presentation and instead of one she awarded two medals, as she felt they were both deserving of the award. The medals were awarded to Lillian Cooper and Elizabeth Wilson.

The following people from Whitesburg attended the musical recital on Monday night: Rev. and Mrs. O. V. Caudill, Helen and Rachel, Dr. and Mrs. P. E. Sloan, Mrs. J. A. Marlow, Miss Ruby Burton and John Taulbee. Mrs. Dyson, of Dudley, was the guest of Miss Frances Rolston on Monday afternoon and night and attended the music recital.

## Wants Frank Wright Nominated

McKeefry, W. Va.

Dear Editor:

In looking over the Eagle I see a great number of my friends that are candidates for the various offices in Letcher county and I want to extend to all of them my best wishes for success. I see Frank Wright, one of the finest little men I know of is a candidate for Justice in the 8th district and I want to ask all of my friends to vote for him. He is a World War veteran and offered his life for his country on the battlefields where the "poppies grow." The good citizens of his district now have an opportunity to slightly show their appreciation for his efforts and see that he goes "over the top" in the Primary. For years he has labored in the mines at Hemphill and Fleming to make support for his wife and baby. I hope all my friends will remember him when August 3rd comes.

Your friend,  
**John Rash.**

## Wants To Be Jailer

**John H. Craft Announces**  
To the Voters of Letcher County: My Dear Friends—I have decided to become a candidate for Jailer of your county, subject to the Republican voters at the August, 1929 Primary. Many of you know me and know that twelve years ago I was elected by my friends as Tax Commissioner of your county and that in that capacity, I served you faithfully and true. I am now forty-eight years of age and have always been a Republican, but a great number of my closest relations and warmest friends are Democrats and will do all they can for me. This is the last time I shall ask for this kind of favor, and I trust every one will now rally to my support. I am a farmer and feel how necessary it is for our citizens to have every protection possible under the law. If I am nominated and elected, I tell you now every person in the county shall have a fair and square deal. As to my reputation, character and standing among those who know me, that is an open book to be read by all. I want to ask the precious mothers and lady voters to help me in this campaign and I thank them for it now.

Trusting to see all and talk with all before the Primary, I am,

Your friend,  
**John H. Craft.**  
Mayking, Ky.

## ANNOUNCEMENT

**FOR TAX COMMISSIONER**  
**GEO. M. ADAMS**

To the people of Letcher County: I hereby announce myself a candidate for Tax Commissioner of Letcher county, subject to the action of the Republican voters at the August, 1929, Primary. A great number of Letcher county people know me and know who I am. I am forty-six years of age and have been a laboring man all my life. Of course, I am a native Letcher county citizen. In the year 1910, as some of you will remember, I was elected Tax Commissioner of your county and so far as I have heard, there was no complaint as to my official conduct. I am well acquainted with practically all the property interests in our county and if nominated and elected will make the interests of our citizens a particular study at all times, giving them a square deal. I will make an effort to see and talk with everybody before the Primary. Will appreciate the support of all. Anything you may be able to do for me will certainly be appreciated. In the meantime and as in all the past, I am,

Your friend,  
**Geo. M. Adams.**  
Neon, Ky.

## ADVERTISING FOR MRS. MANTIE WHITAKER

Dear friends and voters of Letcher County: I want to speak a word to you in behalf of my sister-in-law Mrs. Mantie Whitaker, who is a candidate for jailer. I think if all the good people of Letcher county will take a sober second thought they can see their way clear to vote for her as I believe she has done everything in her power to do her duty as jailer and in memory of my brother "Fess" I hope you will all support her.

Your Friend  
**Fred Whitaker**

## TO THE PEOPLE OF LETCHER COUNTY:

After due consideration and consultation with a large number of my friends, I now announce myself a candidate for Jailer of Letcher County, subject to the Republican party at the coming Primary of this year. Now, as you all know, I was a candidate for this office four years ago and was defeated by only thirty-four votes. After my defeat in the Primary I never railed on no one but stood by the nominee, loyal to the end. Since that Primary I have promised a great number of people that if I should be blessed with health and financially able, I would make this race this year.

I now, with full determination and courage and with good will toward all, do now become a candidate believing that I will be nominated and elected, for I believe that we have in Letcher county as fair minded people as can be found anywhere. A great number of you say that it is my time. If so, rally to my cause, and I assure you that if elected to this office, that the people of all walks of life at the end of my term will be well pleased with my service. Now as to the people of the city of Whitesburg, and those who will be my neighbors, I with my family want to assure you that with the greatest of energy and with the will power to do so will endeavor to maintain the best of morals about the jail, should it be entrusted to my care. Now a few words to my opponents who see fit to make the race against me. It will cause no hard feelings with me and I will always meet you with a smile, and should I defeat you, I will still be your friend, I would like to meet every man and woman in Letcher county between now and the Primary and talk this matter over with them. However, that is almost impossible but I will do my best to see you all. So, asking you and each of you for your support, I remain,

Faithfully yours,  
**ISAAC MITCHELL.**  
Roxana, Ky.

## ANNOUNCEMENT TO THE VOTERS OF LETCHER COUNTY

Due to encouragement of many friends, some time ago I began to prepare myself to meet the requirements set out by law in order that I might qualify myself for the office of County Tax Commissioner, and recently stood the test and was found worthy of receiving from the State Tax Commission a certificate of eligibility. I hereby make this my formal announcement.

I was born and reared in Letcher county, and received my early education in the public schools and later entering the Central University of Kentucky, where I finished a chosen professional course of which I have always been proud; however, unfortunately, in time of peril (1917-1918) the nation made a formal call to each able bodied man. I offered my services which were accepted and in the performance of such duties as devolved upon me, they were of such strenuous nature that I was rendered unable to practice (profitably) my chosen profession for seven years and only the past two have I tried to practice, and finding the work too hard, I have decided to prepare for something which would permit my spending more time in the open. The office of County Tax Commissioner is one of much importance and the Statute sets out that the property of a tax-payer must be equally and justly assessed, and I hereby pledge if nominated and elected to this office to make an honest, sober and efficient officer to the best of my ability.

I was reared a Republican and therefore leave my fate in their hands and trust that on the 3rd day of August, 1929, that a sufficient number necessary to award me this nomination can easily find my name and vote for me.

And to my good Democratic friends, I ask your influence and help.

Ladies and gentlemen, will you not rally to my standard on August 3rd, 1929, as I rallied to our nation's call in 1917?

Trusting that I may have the pleasure of seeing and talking with each voter in the county between now and the Primary, I am,

Faithfully yours,  
**John M. Bentley.**

## FOR CONSTABLE

To the Voters of District No. 2—I am a candidate for Constable in your district, subject to the Republican voters at the August, 1929, Primary. I will thank you for this nomination, and if you give me this honor and I am elected, I will make you a good officer. I shall appreciate your help and support. Thanking you, I am,

Very truly yours,  
**MITT PRIVETT.**  
Jenkins, Ky.

Business is just as dull in Whitesburg as—well there is just nobody coming to town these days. It's a good omen. Everybody is at work.

A miner whose name we failed to learn was crushed to death in the coal mines at Fleming last Saturday.

## FOR JUSTICE OF PEACE DISTRICT 8

To the Citizens of Magisterial District No. 8—I am a candidate for Justice of the Peace in your district. I am a Republican and hope to be nominated on that ticket at the August, 1929, Primary. Give a young man and a laboring man a chance. If I am nominated and elected, I will make you a true and faithful officer. I will see all of you before the Primary. Please keep me in mind.

Your friend,  
**BEN F. JOHNSON.**
